On July 28, 2015, this agent interviewed Bradley County Deputy JESSE JONES in a Tennessee Bureau of Investigation vehicle located near 1481 Oak Tree Lane, Cleveland, TN. Also present during the interview was Criminal Investigator Calvin Rockholt of the 10th Judicial District Attorney's Office. The purpose of the interview was to determine JONES' knowledge and involvement of the incidents surrounding the officer involved shooting that occurred on the same date. At the time of the interview, JONES was employed by the Bradley County Sheriffs Office (BCSO) as a Deputy and had been employed with BCSO for approximately 2 years. After proper identification and explanation for the purpose of the interview, JONES voluntarily provided an audio-recorded statement. This recorded statement is attached to this investigative report as a related item.

The following is a brief synopsis of the audio-recorded interview conducted with Deputy JESSE JONES on July 28, 2015. This synopsis is not verbatim. The attached audio recording should be utilized for a verbatim examination of the interview conducted with Deputy JESSE JONES.

At approximately 2:04 PM, JONES heard over the radio that Deputy OAKLEY had an individual at her residence. The call was for assistance from Cleveland city officers to assist. Then he heard 10-70 over the radio. JONES took approximately 2 minutes to arrive at the scene and arrived two houses from OAKLEY'S residence where OAKLEY'S father was waving down the responders. Upon arrival, JONES ran to OAKLEY'S position and observed that OAKLEY still had her gun drawn on the suspect and the suspect's right hand was cuffed. JONES then mounted the suspect and grabbed OAKLEY'S gun and told her to put it away. Then JONES finished detaining the suspect. The distance from the road to OAKLEY'S position was approximately 80 yards. JONES describes that the suspect was on the ground, on his back and OAKLEY was standing to the suspect's left side with her pistol drawn on the suspect. JONES informed this agent that after he cuffed the suspect, he started to assess the suspect's injuries to render aid and found 2 bullet holes. At this time, EMS arrived on scene; approximately 45 seconds after JONES arrived, and took over care of the suspect, at this time, JONES believes that the suspect became unresponsive. JONES explains that he cuffed the suspect in the front and not behind the suspect's back. JONES believes that Deputy David Harper took possession of Deputy OAKLEY'S firearm. JONES explains that he did not see or hear the gunshots.

(LE) TIFFANY R. OAKLEY, W/F, DOB: [REDACTED]

This investigation was predicated upon an oral request followed by a written request from the Honorable Stephen Crump, District Attorney General, 10th Judicial District. The scope of the request was to ascertain the facts and circumstances, which caused Bradley County Deputy TIFFANY OAKLEY to discharge her weapon in the line of duty and fatally wound ALLAN FRANKLIN WHITE III on July 28, 2015.

The preliminary investigation reveals on July 28, 2015, at approximately 2:00 A.M. Deputy TIFFANY OAKLEY was on duty and had traveled home for a dinner break. Upon pulling into her driveway at 1481 Oak Tree Lane Cleveland, Tennessee, Deputy OAKLEY observed an unknown subject squatted down in front of a truck beside her residence. Deputy OAKLEY exited her patrol unit and identified herself as a Sheriff's Deputy at which time, the subject fled on foot. Deputy OAKLEY notified her dispatch of the traffic and gave a clothing description of the male subject. Deputy OAKLEY pursued the male subject on foot through neighboring yards and located the male subject up an embankment lying face down in a ditch line. While attempting to handcuff the male subject, a struggle ensued where the male subject was able to get on top of Deputy OAKLEY. Deputy OAKLEY deployed her taser during the struggle; however, was unable to subdue the male subject. At this point, Deputy OAKLEY retrieved her service weapon from her holster and fired at the male subject. Deputy OAKLEY reported to her dispatch that shots were fired and requested back up. Back-up units responded along with E.M.S. to the scene. The male subject was transported by E.M.S. to Sky Ridge Medical Center in Cleveland, Tennessee then transferred to Erlanger Medical Center in Chattanooga, Tennessee where he succumbed to his injuries. The decedent was identified as being ALLAN F. WHITE III. An autopsy was performed by the Hamilton County Medical Examiner's Office Forensic Pathologist Dr. Steven Cogswell on July 28, 2015. The preliminary autopsy report reveals ALLAN WHITE died as a result of multiple gunshot wounds.

TIBRS will be reported by the Bradley County Sheriffs Department.

The TBI is the only agency investigating this case.
